11:00AM

Location: Posted next to the Promotional Kiosk located next to Players Club

Rules of Play:

- Active Lucky Rewards Club members will receive one entry per day from Tuesday-Sunday at noon for each week during the NFL regular season
- Participants will select the winner of each NFL game held on Sunday and Mondays of that week
- Once the player submits a completed entry, that entry may not be adjusted
- The winner / winners will be chosen by the highest number of correct choices for that week. Winner will receive \$1000 in free play. In the event of a tie, the prize will be split evenly to the nearest dollar between all winners.
- A participant that picks a total of 210 correct games during the season will receive the grand prize of \$100,000
- Each week there will be a second chance drawing to reward seventy-five (75) non winners with \$20 free play. Winners will be selected using a random number generator.
- The second Chance drawing will be held at Tuesday at 10:00 am
- Management reserves the right to change or cxl the promotion
